Goodbye to lost tennis balls

Our holy fence is soon to be replaced

Better lighting next on agenda

We are looking into the upgrade of lighting to LED bulbs that would be brighter and save on electricity.

New Fences set to get go-ahead soon

The programme for installation of new fences around courts is on schedule to be completed later in the year. We hope soon to have a sizeable grant from the Sports Capital Programme have recently had confirmed a grant from Offaly County Council's Community Enhancement Fund, which is much appreciated. But with a total of €10,800 we will have to keep fundraising despite the Covid restrictions on how we can do it. We are always open to suggestions for new ways of raising funds, let us know and we'll consider it.

Membership Fees

If anyone is yet to renew membership please do as soon as possible - the fees are all the more important to us with the opportunities for fundraising having been curtailed for so long and events such as bag-packing are still out of bounds.

One of our club's up and coming players has made the move into competition tennis with a debut in Dublin

Members will be familiar with the sight of Wyatt Winston practicing with his dad, Winston on our Centre Court and with the quality of play on show it's no surprise to hear that Wyatt (10) has made the move to playing competition tennis with a debut in the Beauchamps Leinster Junior Open at Lansdowne LTC in Dublin. Winning one of his three group games was no mean feat when you consider Wyatt only moved to using tournament tennis balls in the weeks running up to the tournament. Well done Wyatt!
